

One-Page Business Plan

A tiny plan for a tiny first launch.

1. The offer

What are you making, selling, teaching, or providing?

2. The person

Who is most likely to want this first?

3. The problem or wish

What are they trying to solve, feel, celebrate, or avoid?

4. The price

What will it cost them? What will it cost you?

5. Where people find you

Markets, church groups, referrals, Instagram, local shops, schools.

6. The first test

What can you try in one week without overbuilding?

Next three actions

Keep these small, visible, and dated.
